

Monthly Bulletin

September 2014

The KnowFife Dataset email bulletin is a monthly update and roundup of information relating to the KnowFife Dataset. The KnowFife Dataset provides access to a broad range of social, economic and health and wellbeing indicators for partners and the public in Fife. <http://knowfife.fife.gov.uk>

News

1 Year on!

This marks the 1st 'birthday' of these new monthly KnowFife Dataset bulletins. Over the past year the KnowFife Dataset has continued to be updated with new data and resources, as well as providing training and support for a growing number of users across Fife Council, NHS Fife and the Third Sector. We have more planned to improve the content and access to the KnowFife Dataset, so watch this space!

Training

The following training sessions are scheduled for KnowFife Dataset users (**subject to availability**):

- **NHS Fife Health Improvement Training Programme | “Introduction to the KnowFife Dataset”**
 - **Tuesday 7th October 2014** | Venue : Victoria Hospital, Kirkcaldy | **(FULLY BOOKED)**
 - **Thursday 19th March 2015** | Venue : Stratheden Hospital, Cupar | [see here for booking form & more info](#)

These training sessions will give you a good overview of the KnowFife Dataset, what it contains, how you can access the data and how it can help your own work.

If you are interested in training/tutorials but unable to book a place on any of the above events, [please email the KnowFife Co-Ordinator, Chris Brown](#) to discuss options to arrange the following:

- half-day training sessions,
- live demonstrations at team of group meeting
- tutorials for small groups, teams , or individuals keen to understand the KnowFife Dataset.
